

Sam D'Alesandro & **PRIME**Solutions Advisors Proudly Presents:

# MEET THE EXPERTS

## Diversify your investments in Oil and Natural Gas Royalties

- What are Oil and Natural Gas Royalties?
- Why are pensions and endowments using Oil and Natural Gas Royalties?
- What is a “Bond Replacement Strategy” and how do Royalties fit in?
- What are the tax advantages?
- How do owners receive monthly income?

Please join me and a special guest, Mr. Dennis Sutton from Noble Royalties, Inc. to find out answers to these questions and increase your knowledge of this unique asset class.

We encourage you to take advantage of this opportunity to learn more about this asset class. The event is open to select investors that meet certain accreditation levels\*. If you would like to invite friends or co-workers who you feel may find this opportunity of interest, please let us know in advance so we may formally invite them.

**Pre-registration** is required.

Please RSVP promptly by calling Daryl Lynn Ehrler at 412-341-6642 Ext 10. Or e-mail us; [dehrler@primesolutionsadvisors.com](mailto:dehrler@primesolutionsadvisors.com)
